

Clearshine Gel

READY TO USE

WINDOW/GLASS GEL CLEANER

SPECIALTY PRODUCTS

DESCRIPTION: Pride's Clearshine Gel is an innovative, ready-to-use gel glass cleaner made from a blended detergent system and ammonia. This clear blue cleaner is not only perfect for use on all glass and mirror surfaces, but it's also very economical to use due to the concentration of its gel form. Clearshine Gel leaves surfaces with absolutely no residues or streaks time after time! Perfect for use on windows, doors, mirrors, display cases, countertops and windshields.

DIRECTIONS:

- Spray small amount once directly onto surface, just enough to moisten glass.
- Begin at top of window, then move side to side until entire surface is covered. Use a paper towel or soft cloth to clean windows until product has evaporated.
- Best results can be obtained by using two cloths. One for drying and one for polishing.
