CITRUS FLOOR STRIPPER

FLOOR CARE PRODUCTS

DESCRIPTION: PRIDE'S Citrus Waxx-Away is a premium floor stripper derived from citrus products, blended with high concentration of solvents and amines for a fast, efficient stripping. This formidable product may be safely applied to vinyl, asphalt tile, rubber, terrazzo, linoleum, cork and concrete floor surfaces.

DIRECTIONS:

1. Depending on build-up, dilute Citrus Waxx-Away from 1:2 to 1:4 with hot or warm water.
2. Apply the diluted solution directly to the floor and allow to remain 5-10 minutes.
3. Remove solution with mop, wet vacuum or automatic scrubber.
4. Rinse thoroughly with clear water.
5. Let the floor dry, and check for any powdery residue.
6. Repeat rinsing if necessary.
