

# Solid Neutral Cleaner

## HEAVY DUTY NEUTRAL FLOOR CLEANER

# FOOD SERVICE PRODUCTS

**DESCRIPTION:** Solid Neutral Cleaner is a safe all purpose cleaner for use on any surface which is compatible with water. This product contains no harsh acids or alkalis. It can be used on floors, painted surfaces, glass, stainless steel, wood, tile and fabric surfaces. Quickly penetrates soils for easy, safe cleaning, and works well in hard or soft water. Will not dull or harm bright floor finishes and leaves a pleasant odor-neutralizing fragrance.

**DIRECTIONS:** Solid Neutral Cleaner may be used for a wide variety of cleaning functions. Consult a service representative for the proper dispenser setting to achieve desired results for specific use application. This product can also be used to clean floors, tile, ducts, counter tops and walls. Remove lid from new jar

- Light duty cleaning: Use 1/4 ounce per gallon of water.
- General cleaning: Use 1/2 ounce per gallon of warm water. After applying solution, allow to stand a few moments to loosen soil, then wipe or mop up.
- Heavy duty cleaning: Use 1 ounce per gallon of hot water. Apply liberally to heavily soiled area and allow to soak for two minutes before removing. Wipe or mop and rinse with clean water.
