## HAND DISH WASHING DETERGENT

### FOOD SERVICE PRODUCTS

**DESCRIPTION:** PRIDE'S POT SCRUB is a specially formulated lemon-scented hand dishwashing liquid designed for heavy duty cleaning of dishes, utensils, pots and pans. Cuts dried food and grease while leaving a crystal clear rinse that eliminates water spots. Produces a deep sink full of hard working, long lasting suds, which easily cuts grease and soil.

**DIRECTIONS:**

- Use 4 – 8 ounces of **POT SCRUB** per 5 gallons of water. For extremely greasy foodstuffs, refill deep sink with fresh water and product after suds dissolve.
- Although this product is designed to be gentle on skin, use of rubber gloves is recommended for long-term exposure.
